

RIVER NORTH & RIVER COMMUNITIES ASSOCIATION

Permit Requirements and Request

Permits are required when:

Trees:

Cutting down trees in the diameter of 6 inches or more. You do not need a permit to cut down dead trees in your yard.

Fence:

Please provide a picture of the fence you would like to have installed along with the drawing of where the fence will be installed according to where your house is on your lot.

Exterior:

Permits are required when installing a sun room, deck, and any changes to the exterior. Please provide color choices for your project.

If you have any questions, please call 478-743-1406.
